**CORRECTION TO PARTS LIST**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450

Sir/Madam:

**REMARKS**

Preliminary to the Examination of this case, please note the following correction to the Part List.

Part No. 62 "PVA brushes" should correctly read "PVA spacers (linear and end spacers)." The basis for this correction is found on Page 7, line 31.

Since the Parts List is merely a courtesy provided to assist examination, and is not a required part of the specification, no formal amendment is required. A corrected Parts List is attached.
